STAT

Reorganization of Community Staff
Phase II

The reorganization plans for the Intelligence Community Staff have been reviewed internally and a proposed table of organization, substructure and interim assignments to key positions approved. Final approval of all details concerning positions and grade structure will be deferred as further alignment of these arrangements continues to be reviewed.

Effective this date, the organizational elements of the Staff will be as shown on Attachment 1. Also effective this date, interim appointments to Staff elements will be as shown in Attachment 2.
